

Warranty

Your new CAM Superline® truck bed is warranted by Novae LLC to be free from defects in material or workmanship for 3 years, with reasonable limitations.

Additional Warranties

Certain components, such as LED lights and hitches, may carry separate warranties provided by their original manufacturers. Coverage and terms for these components are determined by the respective manufacturer. For assistance with these warranties, contact your authorized CAM Superline dealer.

To Obtain Service

Contact an authorized CAM Superline dealer to open a warranty claim. Your dealer will contact Novae LLC to obtain authorization prior to any work being done. Novae LLC will service all claims but will not accept liability for repairs made without approval.

Warranty Registration

Your truck bed must be registered to validate your purchase date and process any warranty request. Failure to do so may result in potential delay or denial of warranty coverage. You may register at any time; however, if we cannot validate your purchase date, your warranty period will commence on the date of manufacture. Warranty registration is available through your dealer or on the Web at www.camsuperline.com. In addition to validating your warranty coverage, registration will ensure you receive safety and other notices.
